Welcome

Welcome to Plant Hunter !

Botanical adventure awaits you!

Hunter Trails

Explore the botanical world around you on the Hunter Trails

Select a menu option and click the image to begin.

You can learn about careers in botany, agriculture, and horticulture with the Head Hunters program, experience field research with Wild Hunters, explore a virtual garden with the Garden Teleportals, travel the Hunter Trails, contribute to the photographic community via Photo Hunter....and earn your Plant Hunter ID badge through The Hunter Test.

Happy Hunting!

This is a project funded under the [Inspiring Australia](#) initiative of the Federal Government. Plant Hunter is a joint initiative of the [Royal Tasmanian Botanical Gardens](#) and [Grosvenor Consultants](#), with special assistance from the [Tasmanian Feeding the Future](#) coalition. The Plant Hunter web site is crafted by [Tasmanian Geographic + Outreach Ecology](#).
